

EAST WINDSOR PARKS & RECREATION

# American Red Cross Babysitting Course

Learn how to become a safe and responsible babysitter! Throughout the course participants will learn the basics of infant and child care, emergency procedures, choosing activities and other important information. This class is an excellent opportunity to help students build self-confidence as well as job leadership and decision-making skills. After successfully completing the course participants will receive a printable certificate that they can show potential employers and use to help build their business.
