

# Summer ART-ventures for Kids with Mad Science

*Sponsored by East Windsor Parks and Recreation*

**June 17 - 21, Grr, Buzz, Hiss, Roar...ART-ventures** for ages 5-12

Animal lovers and art explorers, take a walk on the wild side. Visit the jungle, go on safari and travel back in time to the Dinosaurs. Discover how far your creativity can go while creating 2 and 3-dimensional animals, butterflies, birds, snakes, frogs and lizards, lions and yes, even dinosaurs. Campers use an amazing variety of art materials, textures and techniques while experimenting with clay and paints, ceramic and fabric art, wood, oil pastels, stenciling, collage, decoupage and more. These cool and playful art-ventures include storytelling and fun facts about the animals.

**June 17 -21, BRIXOLOGY** for ages 5-12

Using LEGO® bricks, kids build a different engineering-themed project in each class. They explore different engineering fields, including mechanical, structural, aerospace, nautical, and bioengineering. They use critical thinking, and creative problem-solving to test and improve their creations.
