

Summer Imagine Arts Academy with Mad Science

Sponsored by East Windsor Parks and Recreation

August 17 - 21, ART-ventures with Pigasso and Mootisse 9am-12pm

Art explorers learn about real artists, their vision of the world and the materials and techniques they use or used. Think about famous artists like Picasso, Matisse, van Gogh, Modigliani, Winslow Homer and more. Included are fun and funky 3-D projects using unconventional and sometimes kooky artist's techniques and materials. During this art-packed week create vibrant tie-dyed t-shirts, decoupage animals, design leather wristbands and celestial stained glass, and experiment with emotion collage, mosaic art and so much more.

August 17 - 21, Red Hot Robots 1pm-4pm for students entering Gr. 1st-6th

Children will learn the basics of robotics by constructing their own age-appropriate robot throughout the week. They will gain a basic knowledge of the science of wheels, simple machines, and gears. They will experience different types of robotic devices including line-tracking and responsive robots. Robots go home with campers on the last day of the program
