

Fun fact: There is a 1 in 1,461 chance of being born on a leap day. Do you know any "leapers"??

February 29th, 2024 marks the next Leap Day, and East Windsor Community Services wants to mark the special occasion with a Leap Year Time Capsule!

We are asking the East Windsor Community to write a letter, submit a photo, or add something small to commemorate the year.

We will open the time capsule up on February 29th, 2028!

Items can be dropped off to East Windsor Parks & Recreation (25 School Street, EW) or the East Windsor Senior Center (125 Main Street, BB). All items must be received by **Wednesday, February 28th.**

Please no large items! Items that are acceptable: notes, letters, cards, photos, newspaper clippings.

No perishable items.
