Time: 3:00p-4:00p Snowplow Sam, Basic I, Pre-Hockey I (3-13 years)

Cost: \$125.00

What to Wear: A helmet is strongly recommended for all, but required for ages 10 and younger (a bike helmet is acceptable). Wear warm, insulated clothing. Clothing should allow for unrestricted, free movement. Tall thin socks. They will help prevent blisters and won't bunch inside the skates. Gloves and mittens not only to keep your skater's hands warm, but to protect the skater's hands as they learn to fall and stand back up. A jacket. We recommend wearing sweatpants (snow pants are okay in the beginning for ages 3-5 and then move to lighter layers as they progress). Skate rentals are available at no additional charge, if they need skates.
