I have full knowledge that basketball carries significant risk of personal injury, severe injury, even death. I also agree that, as the parent/guardian to the noted child, that I am responsible for my child’s safety, and in case of injury, I understand that I am responsible for all financial liabilities. To the best of my knowledge, my child is in good physical and mental condition, has no condition that would be aggravated by participating, and has no communicable disease or mental condition that could place other participants in harm’s way. I agree to allow immediate medical care if needed. I agree to waiver and release and hold harmless East Windsor Youth Basketball, and those associated with these organizations including, but not limited to, the organizers, officers, managers, coaches, referees, facility providers, and participants for any injury and/or illness incurred directly or indirectly as a result of participating in this league or traveling for games or practices, or trying out; also from and against any and all claims, suits, actions, damages, liabilities, costs, expenses and or judgments. I realize that if I submit payment by check and the depositing bank rejects my check, I am financially responsible for the noted value of the check and a \$25 penalty fee payable to EWYB.

East Windsor Youth Basketball has a zero tolerance policy in place, whereas, if a player, coach, parent, sibling or anyone else associated with a team/player uses inappropriate language; threatens, harasses, instigates a threatening or unsafe atmosphere or threatens/harms a player, coach, official or spectator, or damages property that person will be asked to leave the facility/grounds immediately and may not be permitted to return for the remainder of the season for a practice, game, or activity associated with East Windsor Youth Basketball. If such actions occur during a game, failure to leave when requested by an official will result in a forfeit win for the opposing team and may result in the request for Police assistance to remove the individual from the premises. No food or beverages are allowed in the school other than a hard travel container. If you have COVID or in the process of being tested/waiting for results, you are not allowed in the schools.

I acknowledge that I read and I understand the terms and conditions as stated and agree to abide by this zerotolerance policy.
