

S.T.E.A.M. Works Using Lego at Broad Brook School

Children work with standard Lego materials to problem solve pre-engineering challenges involving structure, levers, gears, pulleys, and other elements of simple machines. Projects include drawbridges, flywheel cars and amusement park rides.

Dates: Thursdays 1/23-2/27 **Time:** 3:45pm-4:45pm **Ages:** 6-9
Location: Broad Brook School Art Room **Fee:** \$90.00 for six week session

Registration Process

East Windsor Parks & Recreation has simplified the registration process with our brand new software system! Visit www.EastWindsorRec.com to register for programs from the comfort of home. We also accept registrations in-person during posted office hours as well as through a mail-in process. Additionally, we offer four locked drop-boxes around town for convenience. Programs are on a first-come, first-served basis and we must obtain sufficient registrations to make the programs successful. Non-residents can register for our programs, although non-member fees may apply.
